Abstract

“If these religionists would just read their Bibles, they would see that God has no problem with making a woman out of a man. In fact, He was the first to do it.” - Phil, a commenter over at Shakespeare’s Sister. Phil’s point out of the hypocrisy of the clergy who chose to speak for [...]

| *“If these religionists would just read their Bibles, they would see that God has no problem with making a woman out of a man. In fact, He was the first to do it.” - Phil, a commenter over at Shakespeare’s Sister.*

Phil’s point out of the hypocrisy of the clergy who chose to speak for God at a Largo city commission meeting. City manager, Steve Stanton, was the topic of the nights meeting. Roundly praised for his work, he’s being fired for one reason... he’s decided to transition.

litbrit writes about it in much more detail [here](#) and [here](#). (H/T to Mustang Bobby)
