A cleric who married a female-to-male transsexual and a woman was attacked by enraged Muslims in Bogor.

Prior to the attack the mob had gathered at the Al-Muawanah mosque to discuss what should be done with Abdul Halim. A spokesman for residents, Habib Muhammad bin Agil Alatas, said the meeting at the mosque had been done at the invitation of police. There it was decided that the land on which Abdul Halim's mosque and school stood belonged to the community and should be handed over forthwith.
