Abstract

Jen Burke, of Transcending Gender, is celebrating her two year blogging birthday. If you haven't been over to her blog, well... YOU SHOULD! She's a very prolific blogger (and blawger) and a very talented writer! The only thing I fault her for is passing out cake. I think I gained ten pounds just looking at [...]

Article

Jen Burke, of Transcending Gender, is celebrating her two year blogging birthday. If you haven't been over to her blog, well... YOU SHOULD! She's a very prolific blogger (and blawger) and a very talented writer!

The only thing I fault her for is passing out cake. I think I gained ten pounds just looking at that cake!

Anyone know how to put candles on some rice cakes?
