Abstract

Here's a documentary focusing on our Indonesian trans sisters. They have been catching hell there lately, and the anti-trans attitudes whipped up by fundie Muslims even affected a 2010 international trans conference held there. The anti-trans hatred is felt even more keenly by our Indonesian trans sisters who are Muslims who simply want to be themselves [...]

Article

Here's a documentary focusing on our Indonesian trans sisters. They have been catching hell there lately, and the anti-trans attitudes whipped up by fundie Muslims even affected a 2010 international trans conference held there. The anti-trans hatred is felt even more keenly by our Indonesian trans sisters who are Muslims who simply want to be themselves and practice their faith.
