Abstract

I found this article about Iran's support of gender reassignment. I almost laughed when I read this quote: "Most transsexuals believe that a life in the West would be much easier for them due to the open mindedness in those societies." Hardly.

Article

I found this article about Iran's support of gender reassignment. I almost laughed when I read this quote:

"Most transsexuals believe that a life in the West would be much easier for them due to the open mindedness in those societies."

Hardly.
