That’s the mission statement of American Family Association of Indiana(AFAI). Here’s what is on their website:

Apparently The head of the AFAI, Micah Clark has never read

2 Corinthians 4:2

Rather, we have renounced secret and shameful ways; we do not use deception, nor do we distort the word of God. On the contrary, by setting forth the truth plainly we commend ourselves to every man’s conscience in the sight of God.

Romans 3: 13

“Their throats are open graves;
their tongues practice deceit.”

“The poison of vipers is on their lips.”

Micah states on the AFAI website that:

On Monday evening, liberals on the Indianapolis City-County Council reintroduced Proposal #622

lie #1

Lance Langford and Scott Keller, both Republicans, are not liberals.

which is the new number given to the “sexual orientation” and “gender identity” (cross-dressing) policy

Lie #2

“Gender Identity Disorder” is an accepted mental disorder and the ACCEPTED standards of care for GID is gender transition. Crossdressing is a sexual fetish.

This type of “smear and fear” tactic is more Joe McCarthy’s style than Jesus Christ’s.
