Abstract

Until someone puts actual empirical data along side radical feminist doctrine, I refuse to call it a theory. It isn't a theory, it's a religion. And it's about as believable as there being a man named Jesus Christ that rose from the dead after three days. If your wondering, THIS is the genesis of my [...]

Article

Figure 1. shesus

Until someone puts actual empirical data along side radical feminist doctrine, I refuse to call it a theory. It isn't a theory, it's a religion. And it's about as believable as there being a man named Jesus Christ that rose from the dead after three days.

If your wondering, THIS is the genesis of my reason to post.

Now, let us pray.
