I guess Randi's transphobia isn't something new.

I edited the clips down (I edited them for time, I did not rearrange or manipulate the content). If you want to hear the segments unedited, watch the youtube videos below.

I find it rather ironic that Randi's reaction to Ann Coulter's personal attacks is to attack Ann's body, gender identity and sexuality.

Podcast:

oh, and for you gays and lesbians that are feeling left out, Ann's turning people gay!
