Abstract

Listening to “progressive radio,” you don’t really hear to many examples of out and out transphobia. Listening to Randi Rhodes on Air America Radio I heard her mock Ann Coulter, insinuating she was a transsexual. This is insulting to Ann Coulter on a purely personal level, and it’s demeaning of anyone trans because of the [...]

Listening to “progressive radio,” you don’t really hear to many examples of out and out transphobia. Listening to Randi Rhodes on Air America Radio I heard her mock Ann Coulter, insinuating she was a transsexual. This is insulting to Ann Coulter on a purely personal level, and it’s demeaning of anyone trans because of the stereotypes.

Just goes to show you that ignorance, bigotry, and transphobia isn’t exclusive to right wing Republicans.
