Abstract

I'll point to it: The Next Step Toward Equality: Repealing DOMA But I'll quote none of it - and I damn sure wan't analyze it, lest I be branded, by those who know what's best for us because they say they know what's best for us, as engaging in "trans fuckwittery" [Cross-posted at ENDABlog]

Article

I'll point to it:

The Next Step Toward Equality: Repealing DOMA

But I'll quote none of it - and I damn sure wan't analyze it, lest I be branded, by those who know what's best for us because they say they know what's best for us, as engaging in "trans fuckwittery"
