Abstract

Today we discussed the lies forwarded by Christian Conservatives, gender marker changes in Massachusetts, the ALCU suing Illinois for not changing documentation of people who had SRS outside of the United States, and GLAAD's misstep of nominating the show "The New Adventures of the Old Christine."

Article

Today we discussed the lies forwarded by Christian Conservatives:

Obama "Forcing" Christians To Embrace Homosexuality, Conservatives Warn

gender marker changes in Massachusetts:

Go MA!

the ALCU is suing Illinois for not changing documentation of people who had SRS outside of the United States.

ACLU to sue after state stops giving birth certificates to sex changers

We spent the remaining time on the topic of GLAAD's misstep of nominating the show "The New Adventures of the Old Christine."
