Abstract

Hilary Molina Mendiola died September 23rd at 7:30pm after being thrown naked from the Southern Juan Escutia Axis 2 in the Cuauhtemoc borough of Mexico city. Ms. Mendiola had bruises on her face according to Noticias Terra.com. showing signs of a struggle. Hilary appeared feminine however this did not give pause to local media who misgendered her [...]

Article

Hilary Molina Mendiola died September 23rd at 7:30pm after being thrown naked from the Southern Juan Escutia Axis 2 in the Cuauhtemoc borough of Mexico city.

Ms. Mendiola had bruises on her face according to Noticias Terra.com. showing signs of a struggle. Hilary appeared feminine however this did not give pause to local media who misgendered her repeatably.
